

*Merry Christmas  
and  
Happy New Year*

We hope that you have a wonderful Christmas celebration with all your loved ones and keep the wish for universal peace within your hearts.

Judy & Markus

We had a wonderful year, filled with adventuresome travels. In January, we took our car to Florida to retrace some of the steps of our 2000, [Great Loop](#) trip. March found us on a one week trip to San Francisco to visit my Berkeley sister and my cousin.

I continue to volunteer with America's Boating Club as the Web Master and the Port Captain. I have gotten some nice recognition for maintaining the [website](#) and for assisting in improving the NOAA charts of the Door County area.

Judy is volunteering as a reading buddy and is very much enjoying reading with a first grade girl once a week for a half hour at lunch time.

In January, Judy is looking forward to teaching/tutoring an hour or so twice a week after school to a few third graders that are having troubles doing homework.

Judy continues knitting wearable art. This year she joined the Door County Art League and is learning new jewelry making skills. [Fused glass](#) pendants seem to be the in thing at the moment. Judy has had some good fun leading a few workshops that let folks build their own fiber necklace. Judy's [show](#) page has a picture of one of the booths and a spot to click for watching the Dancing Yarn video taken in Sankaty's cockpit this fall.
